

**VX15 SAFETY EYEWEAR**

**VX15 OTG PROTECTIVE EYEWEAR WITH SWIPECLEAN TECHNOLOGY**

VX15 OTG Protective Eyewear by Raven Safety® provides the ultimate solution for safety and comfort in demanding environments. Engineered with advanced SwipeClean Technology, these safety glasses are easy to clean, allowing you to effortlessly remove water-based paint, oils, and debris with just a damp microfiber cloth.

Designed to be worn over prescription glasses, VX15 OTG (over-the-glass) provides lightweight yet robust impact protection. The wide-vision wraparound lens offers an unobstructed view while ensuring extreme safety with a durable anti-fog and scratch-resistant coating. Compatible with most half-mask respirators, these glasses offer versatility and protection in a variety of settings.

Comfort is key, with soft, non-slip nose pads and ratchet arms that ensure a universal fit for all-day wear. Additionally, VX15 OTG blocks 99.9% of harmful UV rays and meets ANSI Z87.1+ standards. Whether you're on a job site or tackling a DIY project, trust VX15 OTG with SwipeClean for superior protection and clarity.
